I think all the Women would have welcomed useful criticism on the whole case - I do not believe that any of those who understood what is wanted so many lady teachers are available who may not have been in any active institutions rather than distress them to be obliged to female inspectors in general - Pay there is a good deal of discussion would fit certainly increase the expenditure by keeping both male & female teachers It is best to do away with the former altogether either by retirement or a pension I trust that the female teachers are all qualified & that they should be regulated by their qualification

The Insp^r Gl of Sch^s in Octo^r 1897 forwarded the recommendation of the managing committee of the Maharanis girls school Mysore for the following new appointments and promotions -

1 Manchamma who has passed the Upper Secondary and Teachers certificate Examinations to be employed in the Fort girls school Bangalore on Rs 50 to which pay she is entitled under rule 33 of school (Sl no 25 a)

2 Yeggamma and Narasamma who have passed the Upper Secondary Examination to be employed on Rs 3 / each the former being posted to Aryabalika Patasala Bangalore and the latter to the Maharanis girls school Mysore

3 Aravindamma & Subbamma and Doddasubbamma who have passed the Lower Secondary Examination to be employed on Rs 20/- each ~~the former two being posted to Fort girls School, Bangalore and~~ Doddasubbamma and her husband Narasimhasastri (on a pay of Rs 15) to being posted to the Empress girls school Tumkur to take the place of the present Head master and an Asst master to be hired

4 The pay of Janakamma and Gouramma, teachers in the Maharani girls school who have passed the Upper Secondary and Teachers certificate Examinations, be raised ~~to Rs~~ from Rs 50 to Rs 75, the former being transferred to Arya Balika Patasala, Bangalore

The Govt in their Pro no 5217-8 dt 8th November 1897 (Sl no 39) conveyed their approval to proposals Nos 1 and 2 and to the employment of Dodda Subbamma and her ~~husband~~ husband in the Empress Girls' School Tumkur and called for information on the following points -

(1) The Inspector Generals views as to increasing the pay of Janakamma and Gouramma

(2) The willingness or otherwise of the Lady Superintendent, Bangalore Girls schools to the transfer of Janakamma from the Maharani Girls' School to the Arya Balika Patasala, Bangalore

(3) The arrangements to be made for the employment of Aravindamma and D Sitamma, the schools in which they ~~are~~ to be employed and his suggestions as to how each item of additional cost to be met

The Insp^r Gl replied as follows

(1) that in his opinion Janakamma and Gouramma are not entitled to ~~any~~ increase of pay from 50 to 75 Rs until they put in 5 years service on the former pay.

(2) that the Lady Superintendent of the Bangalore girls schools has no objection to take Janakamma into a School under her Supervision

(3) that Aravindamma and D Sitamma should be employed in the Govt Girls' school, Bangalore, that the additional female teachers now to be employed will cause increased expenditure and that after the female teachers have worked for some time the male teachers will have to be retired or drafted into boys school in due course

Thereupon the Insp^r Gl was asked to report the special grounds on which Janakamma and Gouramma were recommended for increase of pay by the Managing Committee of the school and that Officers Insp^r Gl has reported in his docket

No. 8242/252 dt 14 March 1898 that the

Managing Committee of the Maharani

Girls school have since decided that

as Janakamma will be transferred

to Bangalore, where she will be required

~~did not meet~~ had not met with the 1st Councillor's

approval on the ground of its forming an

inconvenient precedent, (vide 1st Cl. Note d 18th instant).

~~increase of pay of both Janakamma~~

~~and Gouramma has to be lost sight~~

~~of for the present~~

The items now requiring sanction

are the employment of Thanchamma

on Rs 50/- and of Yeggamma and

Narasamma on Rs 30/- each and of

Aravindamma, D Sitamma and

Bodda Sibbamma (Barber husband on Rs 15)

on Rs 20/- each These proposals

involve a total monthly cost of

Rs 185 for which the Insp-Gl

has pointed out a saving of Rs 32

per mensem due to the proposed retirement

* excluding the increases to Janakamma & Gouram

of the Head master and Asst master of the Empress Girls' School Lumbini, so that a net additional cost of Rs 153 has now to be sanctioned ~~to be borne by the Govt~~ A Statement showing these proposals with additional costs etc ~~has already been put up~~ with the file is now attached to this Memo.

OFFICE OF
INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 3069/98

~~Bangalore~~, Mysore, 16 October 1897

From

H J BHABHA, Esq,
Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore,
In the General and Revenue Departments

Sir

I have the honour to submit herewith for the orders of Government Letter No 112 dated 12th August 1897 bearing this Office Register No 2137/369, also Docket No 116 dated 1st September 1897 both from the Honorary Secretary Maharani's Girls' School

2 Manchamma who has passed the Vernacular Upper Secondary and Teacher's certificate Examinations is entitled under Rule 33 of the Maharani's School to Rs 50 a month

may be raised to 60 vide page 25a

3 I Yeggamma and Narasamma have passed the Vernacular Upper Secondary Examination but not the Teacher's Certificate Examination They may be given Rs 30 a month There is no rule which exactly suits their case or prescribes their initial salary

may be raised to 35

4 Janakamma who has passed both the Vernacular Upper Secondary and Teacher's Certificate Examinations has been a teacher in the Maharani's School of the II Stand in the Upper Primary Department for a year She is in receipt of Rs 50 a month. The Honorary Secretary recommends her transfer to one of the Bangalore Girls' Schools on an increased pay of Rs 75 a month, Narasamma taking her place in the Maharani's School

The Head mistress in charge of the Girls' School at Bangalore does not wish to part with Janakamma

5 Gowramma who passed the Vernacular Upper Secondary and Teacher's Certificate Examinations with Janakamma has been a teacher of the First Standard in the Lower Primary Department of the Maharani's School on Rs 50 a month The Honorary Secretary recommends her promotion to Rs 75

The Head says with all these recommendations

6. Aravindamma, Dodda Subbamma and D Setamma have passed the Lower Secondary Examination and have been attending as pupils for more than a year the Upper Secondary Department. They are recommended for employment as teachers anywhere on Rs 20 a month I would support this recommendation. V Narasimha Sastri the husband of Dodda Subbamma, who is a Kannada Scholar and employed as Munshi in the Maharajah's School also desires to be employed in the same school in which his wife is given

The Head should point out if any of these recommendations can be carried out

employment I think it highly desirable to employ the husband if he be qualified in the same school with his wife The husband's pay may be fixed at Rs 15 He is at present getting Rs 10 in Narrainappa's School Both husband and wife may be employed in the Empress' Girls' School Tumkur, and the present Headmaster retired. The employment of Doda Subbamma and her husband will cause a small increase of Rs 3 a month in the cost of establishment of the Empress' Girls' School Tumkur

This may be approved, BP

7 If Janakamma Nanchamma and Yeggamma are newly employed in the Bangalore Schools and Aravindamma and D Setamma in some other Schools in the Province, the male teachers whose place they will take will have either to be retired or gradually absorbed in Boys' Schools The pay of the male teachers thus retired or transferred will cause a comparatively small saving The cost of the employment of the female teachers will therefore have to be provided afresh I request that the enclosures of this letter may be kindly returned when no longer required I have the honour to be

The Board should instruct the Department to provide for the question of the pay of the male teachers retired or transferred BP

Your most obedient servant

~~Bangalore~~ Mysore, 10 December 1897

From

H J BHABHA, ESQ,
Inspector General of Education in Mysore,

To

The Secretary to the Government of Mysore
in the General and Revenue Departments,
Bangalore

SIR

With reference to Order No 5217-8 / Ed 7 17-96 dated 8th November 1897, I have the honour to forward a statement showing the proposed appointments of the female teachers recommended for employment by the Committee of the Maharanis School and their proposed salaries At present every one of the Girls' Schools referred to has a complete staff of teachers The additional female teachers now to be employed will cause increased expenditure which requires the sanction of Government After the female teachers have worked for some time, some of the male teachers whose services will be superfluous have to be drafted if possible into Boys Schools or retired after three months notice, their places being abolished

2 The Lady Superintendent of Government Schools Bangalore has no objection to take Janakamma into one of the Government Girls' schools under her.

3 As regards the increase of the pay of Janakamma and Gouramma from Rs 50 to 75 I am not aware of any special reasons for the increase They were both first employed on the 5th June 1896 in the Maharani's School Though both of them are qualified to teach upto the V Vernacular Standard, Janakamma has taught for about a year and a half the II Vernacular Class and Gouramma the I Vernacular Class. Rule 33 of the Maharani's School provides Rs 50 to 75 as the pay of those who pass the Upper Secondary and Teachers' Certificate Examinations Usually the maximum pay is given after at least five years' service Under these circumstances I leave the question of granting an increase to the pleasure of Government. 5½ 25(c)

4 I propose that Aravindamma and D Sithamma may be employed in the Bangalore Government Girls School I think that in large schools having male teachers it is desirable to employ more than one female teacher at the same time.

I have the honour to be,
